SUBJECT: Charge and Membership of the Opioid and Other Substance Use Disorders Interim Study Committee

Summary

This memorandum provides an overview of the 2018 membership of the Opioid and Other Substance Use Disorders Interim Study Committee, the origin and charge of the committee, bill request deadlines and procedures, and information regarding committee staff and the committee website.

Origin and Charge of the Committee

In 2017, the Opioid and Other Substance Use Disorders Interim Study Committee was created pursuant to Interim Committee Request Letter 2017-02 and met six times in the 2017 interim. House Bill 18-1003 continued the committee for two additional legislative interims in 2018 and 2019.

The committee is charged with the following:

- reviewing data, data analytics, and statistics on the scope of the substance use disorder problem in Colorado, including trends in rates of substance abuse, treatment admissions, and deaths from substance use;
- studying the current prevention, intervention, harm reduction, treatment, and recovery resources, including substance abuse prevention outreach and education, available to Coloradans, as well as public and private insurance coverage and other sources of support for treatment and recovery resources;
- reviewing the availability of medication-assisted treatment and whether pharmacists can prescribe those medications through the development of collaborative pharmacy practice agreements with physicians;
- examining what other states and countries are doing to address substance use disorders, including evidence-based best practices and the use of evidence in determining strategies to treat substance use disorders, and best practices on the use of prescription drug monitoring programs;

- identifying the gaps in prevention, intervention, harm reduction, treatment, and recovery resources available to Coloradans and hurdles to accessing those resources;
- identifying possible legislative options to address gaps and hurdles to accessing prevention, intervention, harm reduction, treatment, and recovery resources; and
- examining law enforcement and criminal justice measures, including the prohibition of illegal drugs, penalties for trafficking illegal drugs, diversion, jail-based and prison-based treatment and harm-reduction programs, and technologies and other requirements useful in enforcing laws removing opioid and other illegal substances.

Committee Membership

In total, there are ten members on the Opioid and Other Substance Use Disorders Interim Study Committee. In 2018, the chair is appointed by the Speaker of the House of Representatives and the vice-chair by the President of the Senate. In 2019, the chair is appointed by the President of the Senate and the vice-chair by the Speaker of the House of Representatives. Committee Recommendations to Legislative Council

Bill limits and requests. The committee may recommend up to five bills to the Legislative Council. Committee members must request bills during a single committee meeting set for requesting legislation, and bill requests must be approved by a majority of the committee members.

Bill request deadlines. The Legislative Council has established deadlines for the 2018 interim for requesting, drafting, and approving bill drafts under consideration by the committee. The meeting to request bill drafts must be held by August 22, 2018. Committee members must submit drafting information to the Office of Legislative Legal Services (OLLS) bill drafter within three calendar days

of the meeting at which bills were requested. There must be at least 42 days in between the meeting at which legislation is requested and the meeting at which it is approved. To allow time for Legislative Council Staff to prepare the fiscal analysis of the proposal, there must be 21 days between the date the proposed bill is finalized with OLLS staff and the date of the meeting to consider the proposed bills. The last day to finalize bill drafts with OLLS staff is September 12, 2018, and the committee must meet and vote on the bill drafts by October 3, 2018. Bill drafts and fiscal notes will be sent to the committee three days prior to the meeting at which the bills will be approved.

Legislative Council review. The Legislative Council is scheduled to meet on October 15, 2018, to approve interim committee draft legislation. Bills approved by the Legislative Council do not count against a member's five-bill limit for the regular legislative session. Bills not approved by the Legislative Council may be introduced during the regular session, but such bills would count against a member's five-bill limit. Interim committee bills must have prime sponsors prior to approval by the Legislative Council.
